## Message from the Leadership Team

Families, despite the many challenges we have faced as a school community I want to encourage us all to keep pushing forward. It will take all of us to help our Sparks be able to show how far they have come this year. It is our goal at North Central to bring all our energy into our work with students as they continue to grow academically and socially. Again, thank you for all you do to help make NCE such a success. Always remember that as a school community we are here for you.

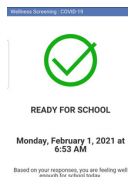

Ms. Arzate
